“ *I had Mr. Z in 5th grade for the 1988-1989 school year. He was hilarious and very good with us kids. He always smiled and laughed. I will never forget the "3" christmas presents he gave us all. One ruler, One pencil, and one hersheys kiss. I just learned of his passing and I am saddened. If I could cast mold a perfect teacher and a great person, Mr Zawlocki would be it. I send my thoughts to the Zawlocki family. - Mr. James Thomas "Tommy" Rains Jr/Adams Elementary student 1984-1989*

“ I'm sorry for your loss. Death is our common enemy as it affects all of us. I therefore want to encourage the family to take heart and be hopeful in the promise by God, that he will wipe every tears and no more will be any death again. Death will be brought to nothing, Isaiah 25:8 and 1Corinthians 15:28. God by means of Jesus will call and all that died will hear his voice and come out. John 5:25. We have an opportunity to see our dead loved ones come back to life again and never to die. What a wonderful moment that will be!

“ Mr. Z was my 5th grade teacher at Adams School in 1974. He was a great guy & teacher. I remember on the first day of school when he introduced himself to the class he drew a picture of a Saw, a Lock, & a Key. Then he told us to tell him what we read on the board & that is how to remember his name. RIP Mr. Z

“ I just came across this very picture of Ken with Sparty taken at Jamie's reception a couple weeks ago while sorting pictures and was going to give it to you Jean for Ken. I am so very sad for you and the girls and grandkids. I've known you since our girls were babies and know how this all has to feel surreal. This happened too soon and too sudden. God does have a plan though and you should trust in that. I am here for you in whatever way you may need support. Much love, Sandi
