“ Ron & Colleen, I have been so lucky to be accepted as a member of this wonderful family as Ron's wife. I can remember when I first met Bryce, Ron told me, "Dad does not like people to hug him." Upon meeting him, I immediately hugged him. I looked at his face and he was smiling. My daughter, Amber, was the same way. BUT she added one more thing. She loved calling him "Grandpa" as Amber did not have any grandfathers left alive on her father's side or mine. He loved her and I think appreciated the expression of Grandpa coming from her. Luckily Amber got to visit with him when we were in Detroit in April. She was unable to come to Detroit for the services but her thoughts were with the family. Thank you again for letting us be a part of the warm and loving Perry Family. We are so lucky!! Love, Nikki & Amber
