“ *My most sincere condolences to the entire Murray family. Kevin had a profound influence on both my personal and professional life, I will always be indebted to him in many ways. I have never , ever , met a father more proud of his sons then Kevin. Right now these are difficult days, but the wonderful memories will see me through. My life was certainly made better because of this great friendship Kevin and I had!*

My heart goes out to Shelley, Kevin Jr, JB, and Max.

Kevin and I worked together for over 25 years and we shared so many great work experiences together. His friendship has meant a lot to me.

He will never be forgotten.

Kevin was a great friend of mine. I considered him family. When he passed there was a big chunk taken out of me. I am deeply saddened by his passing as is anyone who ever met the man. Goodbye Kevin.
