“ I met Kimmy once with her friends Nancy, Rosey and Vic. We all had such a wonderful and happy time, I remember Kimmy laughing and looking so beautiful. I pray when it is my time, Kimmy will greet me in hugs as I will her. My prayers are with Kimmie's family and dear friends. Another one of her friends, Maria

“ Kim was a great person that will be deeply missed. I loved having those late nights to just talk about whatever was going on. She was always such of a caring and kind person who helped others. She was one of those one of a kind people that you hope to call friend in your lifetime and feel blessed that you were able to. My sympathies go to her family and this time of great loss.

“ I am so incredibly sorry that the world has lost such a wonderful person in Kim. Someone that laughed easily and was quick to share a smile and laughter. I am so sorry that I have been so far away over these last few years and that I cannot be there for the funeral. I will always cherish that some of my last memories of my aunt were at my wedding and I can still see her laughing and dancing. Mikey and Jason – you are in my heart.

“ There are so many fond memories I have of Kim. I remember when she moved from Canton to Milford she asked what time i was going to be there in the morning to help load the moving truck. A lot of people would try to get out of moving but Kim would do anything for anyone and always had her house open for all of Jason and Mike's friends so I will always remember that fun day. (Moving being fun? It was) Another thing I will always cherish is how kind and caring she could be even when we would do something dumb and foolish at her home or at Olga's. She loved Mike and Jason and all her family with all her heart. I remember a time Jason, Mike and I were going to the pool hall and she gave them her last \$20 from her purse without even thinking about it so they could have a great time. That is unconditional love that will always be remembered You definitely have LIVEDSTRONG !

“ Remember playing monopoly when you were a kid? You bought properties like Boardwalk and Park Place. Then, mom said it was time for dinner, and the game was over. Your money, your railroads, hotels and houses were gone. You know, life is like that. You spend years "playing the game" and acquiring "stuff"... Then, one day your life is over. Well, your greatest legacy won't be the material things you leave behind... Those will fade away. It will be the lives you've touched... The relationships you've built... With your family, your children, your grandchildren. That legacy will endure even after the game ends.

“ Mike, Jason and family. We are so sorry for your loss, kim was a fun loving, sweet and joyful woman. We were a family at one time and she and you both had a huge impact on my life, as well as my father and sister's. We remember lots of good times, like the trips we would take in the back fo the van to Cedar Point. We would just throw a mattress on the floor and eat donuts the whole way there. Kim, was alway such a patient mother, god knows the two fo you could be a handful, never me though - just kidding. I wish she could have met my children. You have and always be in our thoughts and prayers. We love and miss you all. Sincerely, Colleen
