“ *There are a million memories with this woman and there is no way in this world anyone would ever forget my auntie Kim !! She would help anyone with anything before helping herself and we all took advantage of her a lot but it made her happy to see us happy all she wanted was for all of us to be a family again no matter what and i think its time we open up to that idea and i promise you it will feel like a real holiday again because shes going to be there watching us smiling that we all understand what holidays are really about .. Please everyone i know im not a person to be begging but i love all of you no matter what .. I love u auntie kim this is so hard realizing your not gunna reply on messenger today*
