“ *I keep remembering the last time I saw Kim. It was at IKEA, she called my name and I turned around to see it was Kim. I ran back to hug her, we talked and I went back twice more to hug her. We talked and promised each other we would get together soon. We promised each other that we would go out again because we had always had a good time. I will miss her a lot and that laugh of hers. She was such a loving, caring person. I am so sorry for all of you,. Love you, Judy and Doug*
