“ *I have known Krysta since she was just 2 years old and in daycare with my son. She and Ryan became fast, first friends and shared many milestones through the years. First trick-or-treat with Krysta's dad, Rick. First sleep-over, first birthday party. I watched them grow as friends and individuals. Krysta's Mom, Donna and I used to joke that they would probably be married someday since they were so close. Even when they were separated by distance they would pick up right where they left off as if they had never been apart. Krysta even called me mom sometimes. Ryan insisted he had to buy Krysta a gift for her birthday a little early when we moved to Arizona because she meant so much to him and he didn't want her to forget him. Their birthdays were only 2 months apart. But life happens, and as it does, changes in their relationship occurred and there were differences that regrettably lead to losing touch with each other. Krysta got married and things just evolved as life often does. We are heartbroken at her leaving us so soon.*

“ We too are in shock of the passing of Krysta. She and Renee had many play dates together. Krysta had gone to the movies with us on several occasions. She loved snow caps! She was on a bowling league with Renee. They had lots of fun. She went to youth group and VBS too. Her heart was with Christ. Krysta was a part of our family for many years. She will be truly missed. Prayers and love for the whole family and all who knew her.

“ *I'm so grateful to have Krysta as a student years ago when she was in high school. She took my cooking class. I have a vivid memory of her favorite shirt that quoted the Beatles Song: All You Need is Love. She wore it a lot!! She was kind, funny, sarcastic, and spread a lot of positive energy out into the world. I was so proud of her as she faced her fears and grew more and more confident in her abilities throughout that year. I loved her smile, Love to her family and friends.*

“ *My favorite memory of Krysta is from the first moment I met her. Jerry and I were newlyweds moving in next door. Seven-year-olds Krysta and Renee had set their lawn chairs right up to the chain link fence that separates our properties, quizzing us about every single piece of furniture and luggage we pulled out of the moving van. Our very own Shadyside Welcoming Committee! Krysta will always be that kind, sweet, inquisitive soul. We are truly blessed to have known her.*
