“ Kurt is my Brother-In-Law. Living in Arizona never let me spend the time with t him that I would have liked to. When we were together we laughed even though I always beat him playing golf. He knew how much I hated Ohio sTATE, and I had to smile looking at his posted picture. I am hoping he didn't have to suffer and he is in a better place.I know he touched a lot of people in great ways and maybe that was his calling I miss you a lot already my friend and will never forget how you took care of Brent when he came to visit.

“ Karen, I am so sorry for your loss. I worked with Kurt in secondary in the olden days.He showed me how to properly rake the mail (from the bottom up, in case you don't know)! He had a great sense of humor and a contagious laugh. He will be missed. I wish you and your family peace.

“ I first really got to know Kurt when I spent the summer at his house. I had an amazing experience I met new friends and had a lot of fun. almost every day I'd have an discussion with Kurt almost everyday about everything. And during that summer I realized that I have made a friend that I can always go to, and that was Kurt. At first I knew Kurt as the uncle with all of the Rice Krispies, Then I knew him as Uncle Kurt, then as my movie buddy, Then I knew him as Kurt, and then about two and an half years ago I knew him as my mentor, but through all the times if known him, I known him as my BEST FRIEND. And I'll never forget everything he has done for me. So this is my stories about Kurt. And I'll miss him dearly. David.
