“ *I was actually looking up Kurt on line because i had not ran into him in so long. I am very sorry to her he is no longer with us. I went all through school with him and then we were good friends after and you couldn't find anyone more willing to help anyone he could.*

“ *I am saddened to hear of Kurt's passing. Although I haven't seen him in a few years, my father would see him at Meijier and tease him the prices were too high and Kurt would joking ask him if he wanted to fight about it. He was a good person.*

“ I'm very sorry to hear about Kurt's passing. He was one of the "neighborhood" guys you could always count on as a kid when getting a football, baseball or basketball game going. We had a lot of good times.
