“ My Mother-in-Law Carol had the kindest and most charming sons, and Kurt was definitely no exception. He was always positive and full of laughter at every family gathering and gave the best hugs and had the biggest grins. This unexpected loss has hit our family hard. I feel the most sorrow for his children, to lose their father so young! Our thoughts are with you all, the Kurt “Herd”. We will miss you dearly, Kurt.

“ My big brother was full of adventure, always looking to have a good time. He never wanted to be down. He had the goofiest laugh and just found a way to make you laugh too. He was full of life and charm and I simply do not understand this. I can only find peace in knowing he is back with our Momma, he was always her favorite! I love you forever Broham </3

My brother would light up any room with his big personality and great smile. He had a big heart and always wanted to help. He made me laugh and I will really miss you Kurt. My weekly calls talking about how we missed mom and how well you were doing. I loved hearing about your job and how much you loved it. Not sure why you had to leave but I do know mom is happy to have with her and Heaven as one amazing angel. Love you always. Your big sister. B
