“ I wish to express my sincerest condolences to the family of LaFern Deeter. She was a very sweet lady who I had met a few times through her daughter Gail and son in law Craig....both close friends of mine. LaFern always laughed at my jokes and I was also happy to have been in attendance at LaFern and Bill Deeter's 50th wedding anniversary party. That was a really fun occasion. I know how much she loved her family and how much they loved her back. And now, LaFern Deeter's memory will continue to live on forever within the hearts and minds of ALL that knew her. God bless this sweet woman...and may she rest in eternal peace.

“ *Lafern was a very talented lady. I sat next to her for 4 years in the high school band. We shared many good and happy times during our high school days and then Bill had to take her to Michigan (LOL). The Oblong High School Class of '53 sends their deepest sympathy to Bill and his family. The Class of '53 will be making a donation to the Oblong Academic Foundation in memory of LaFern. Sincerely,
P.D. Highsmith*

Dear P.D., Thank you so much for sending us this memory. When Mom would talk about her high school days, your name always came up! I feel like I know you through Mom's fun stories about you and her band classes. Mom was looking at her high school yearbooks not too long ago, and she showed me a picture of you and her in band class.

Dad said to tell you that he will give you a call in a week or so.

Thank you, P.D. for being a good friend to Mom.

“ I have been a good friend of Gail's since we first met at the Marriott back in 1990. We have laughed (and fought) through the years, but have always remained good solid friends. I met LaFern only once or twice, but feel that I have known her for years because Gail has always spoken of her fondly through all of life's ups and downs. My heart goes out to you, Gail and Craig, Mr. Deeter, Wendy and Bev, and everyone else in your family. Please accept our deepest condolences and know that our heart and thoughts are with you right now as I type, and going forward, especially through this weekend and into next week. With love and sympathy, Rick Carter and Scott McClure.
