“ *Dear Barb and Linda and family,  
We were both very sad to hear of your dads passing. We appreciated the gentle and caring man that your father always had been. I know it's hard, but he is in a better place. He was there for every important event and always showed his interest in our family and friends. His kindness and watchfulness for our parents was priceless. As a neighbor, he always was considerate and helpful. There is a legacy of fond memories, social get togethers, and friendly tasks that he did so unselfishly. We are blessed to have known him for so many decades.  
God bless you and yours, our prayers are with you with heavy hearts.*
