“ *Marilyn,
Want to send my condolences to you and the Cornish family. When I heard of his passing, memories of when him and I shared that upper flat on Neckel St. in Dearborn. We had some good times there. They are good lasting memories. Take care and take one day at a time. Larry and you will be in my prayers.*

“ First Met Larry years ago while working at Detroit Metro for Republic/ Northwest Airlines. He use to talk to my girl friend at the time who worked a security check point. Larry was one of the nicest officers I ever knew. When my girlfriend and I got married he gave us a crystal vase for our wedding gift, we still have that vase on our end table 28 years later. We haven't seen Larry in many years but always exchange Christmas cards. You will be missed, R.I.P., friend.

“ *I remember Larry well from Fordson High School. We were on the wrestling team together and he also ran cross country. After a morning practice during Christmas Break, I recall going tabbagoning on Hines with him and Don Pargoff. Ever a good guy.
RIP Larry

“ *We met larry at the P.L.A.V. in Livonia summer of 2012 where he was very active weather it be the Vietnam Veteran or the post itself. His generosity was always shown by the donations he brought to so many in need. We spoke almost every day about family friends and veterans, His love for trains in on full display at the post for all to view a great part of this being what he gave to my four grand children. As I have said in the last few days He has left us with a hole that will never be filled for a long long time. Love you Larry Tom & Ilene*

“ *My prayers to you all on your loss. Larry was always a kind, funny and patient older cousin as I was growing up. I remember when he became a Marine and was then posted overseas, scared for his safety but so proud of he serving his country, that I talked about him constantly to my teachers and classmates. Mom and I put small care packages together to send to him, hoping some favourite items from home might brighten his day, even for a few minutes. Rest in peace Cousin.*
