“ *I was stationed with Larry in the Radio Relay shop, 507 TACC at Shaw AFB. We shared a deuce down to an exercise at Egland AFB. On the way back we kept popping lug nuts off a front tire. Instead of being left to wait hours for a tow vehicle, we kept going, finally limping back onto Shaw with 1 remaining lug nut! Somewhere I have a picture of Larry hugging that tire for getting us back safe, but here's one of him while we waited to go.*

*He was a good man. RIP Larry*

“ *I was a classmate of Larry's back at Burger Jr. High School. Played in the band (oboe), and ran track together. He went on to West, I to East. 45 years ago and I still think fondly of him. His easy wit and sense of humor. God Bless.*

*I remember the whole Fruit family. My children went to elementary school together. My son Paul and daughter Kelly at Maplewood. Jan & I were friends.  
We were all in scouts together. The boys were wonderful and caring. I think Larry & Paul had Mr. Schinder in 6th. Grade.  
The family came to visit us in FL. Years ago. Our thoughts and prays go out to the family. I have wonderful memories of the whole family.  
God bless all of you.
