“ *I remember visiting Larry's office with my parents (Chuck & Mary Ann White) when I was a young child over 30 years ago. Larry always had candy for us kids :) I moved back to Plymouth years ago with my wife & family - in my late-30s. My wife & I visited Larry to talk through our finances. He was an extremely caring person who was always there for us to answer our questions. I will always remember his caring for our family & he always had a genuine smile on his face. He will be missed*

“ *Larry was my financial planner for 40 years. He was a friend, advisor, and supporter in my happy and sad times. His dedication to proper and well-researched portfolio planning was of help to my family. Larry was always caring, compassionate and hard-working man of faith. He will be greatly missed.*

*“ So sorry to you and Mom and all the family. What a shock. He always seemed so alive and energetic. Always enjoyed warm, fun and interesting conversations when we were together. Harder still during these times when cannot even get the hugs. Please let your Mom know I am sorry for her loss. Wish I could tell her in person.

*Larry and I were members of the 1964 graduating class at Plymouth High School. Larry and I never interacted while we attended PHS and like many of the 400+ members of that class we went our separate ways after graduating. I reconnected with Larry at the class's 50 and 55th reunion. I think we sought each other out because we came without our spouse's. Anyway I really enjoyed Larry's company at both those reunions. Larry had a great sense of humor and very interesting to talk to. I know with Larry's passing it will leave a big void for those left behind. I will miss Larry not being there at the next reunion and all the great laughs we had. Even though I was only with Larry twice over all those years, he will be missed dearly.*
