“ *Deepest and Sincere Sympathy to the Family of Larry C. Roat. I'm very sorry to hear about the loss of your dear loved one, Larry, he will truly be missed.... Please take comfort in knowing that God not only cares, but he purposes to bring back our dead loved ones just has he promised. How can we be so sure? The Bible tells us his promises and how he purposes to rectify all that Satan, Adam and Eve brought upon mankind. That is one of the reasons he gave us his only-begotten Son, Jesus Christ to die for not only our sins, but to buy back or give a corresponding ransom for what Adam lost. As (1 Timothy 2:6 reads: "who gave himself a corresponding ransom for all-this is what is to be witnessed to in its own due time. And another reason why Christ died willingly, is to more importantly vindicate his Heavenly Fathers Sovereignty and to Sanctify his Great Name Jehovah. see Matthew 6:9,10. So these are the most important issues that soon will be solved by Jehovah God himself. So, this will also entail removing sin and death itself. And this we can stake our lives on.*

“ Dear Diana and Carol and Families, I was so sorry to read about your father in today's paper. I truly enjoyed his friendship when I worked at Marian Place. We could always count on him for a story, a joke, advice on health or poker. I remember him playing his harmonica for our talent show and how proud he was of his children and grandchildren. He was especially good at reminding us he had one grandchild born on his birthday. He was shouting the good news when she was born. Please know that I will be remembering you in prayer over the next few days and months to come. I know from experience that you will never forget him but remembering will become easier. I am sure he is in heaven reeling in the biggest fish ever and will have a wonderful fish story tell everyone there and to tell us when we finally meet him there.

“ Grandpa Roat was laid to rest on Tuesday , March 3rd at Great Lakes National Cemetary in Holly, MI. He received a gun salute from an honor detail consisting of retired Marines and Coast Gaurdsmen. It was a very honorable and classy ceremony..one that made me feel very proud of Grandpa's service to our country.
