“ *I am so sorry to hear about the passing of your mother. Sometime back in 1985, I met your mother at a art show where I was able to view her artwork. Realizing her talent, I told her I would be interested in her doing portraits of both of my daughters at a younger age. The portrait of my daughter Suzette was completed first (it was beautiful). When my other daughter Sheri saw her sisters portrait done, she said “when are you doing mine?” like me, she loved it. Both of the beautiful portraits were completed in 1986. I can't tell you how many nice compliments I have had of them. My sister also hiring her do portraits of her sons. Laurel was a very kind, gentle and caring person who loved gardening, horses and her sons very much. I feel blessed having known her and having her beautiful artwork in my home. She will be dearly missed!*
