“ My dear Laurie, what can be said about one of the most kind, loving, giving, spirited souls ever to walk the earth? We met when our little girls were in ballet class so many years ago and we became friends ever after. You worked as a secretary for Jim for a few years to get a break from your previous job and drove Jim to the hospital when I called him to tell him our daughter had leukemia. You always credited your mother with a kindness, love, and faith that naturally spilled over to her children and made them a close and devoted family and you continued that nurturing dedication to your own family. You will always hold a special place in my heart until the time when our souls will unite again.

“ My heart will be forever broken over losing my dear friend of 55 years. Lauris and I met working at a law firm downtown in 1970 and became instant friends. She was the sweetest, kindest person I've ever known. She always remembered to send me a birthday card and always brought me pierogis. She and I spent many hours on the phone discussing our favorite show Outlander. I will miss her yearly visits to my cottage where we would sit on the porch, drink wine, and watch the boats go by. I love you dear friend and will miss you immensely. Prayers of strength to Dennis and her beautiful family 💕💕💕

I met Laurie when we were 15 at Sammy's Pizzeria. The St Gab girls were there and Laurie extended me an invite to sit with them at their booth. I look back now and realize that was the beginning of a very special friendship and a very blessed moment that I will be forever grateful. Laurie was so 'special' and I will be eternally thankful for knowing her. Prayers to Dennis and the entire family.

*Dennis and Family,
I will always have fond memories of Laurie from high school and afterwards. I think the last time I saw her was shopping at the bakers store in Saline and sharing lunch. She was a very special lady and she will always be remembered for her fun, positive attitude.
Keeping you in my thoughts and prayers. Sending hugs and love,
Pat (Galecki) Tallman*

“ What can I say about my youngest of three sisters that you guys don't already know! She was so caring and kind to everyone she ever meet or was related to! Lauris I'm so proud that I had all those years growing up together in such an awesome family! You were the rock that keep us crazy brothers together! I will always remember the memories of my little sister! Just wanted to say one more memorable thing! Thanks for the use of your tennis shoes in High School! Love forever!

Thank you my friend rest in peace, with the knowledge of a legacy left behind that will be cherished by us all. ❤️🦋✝️
