“ I never met Lary but have known of his music re-edits for many years and was a member of our Facebook group We Play Jams. I just learned today June 2 along with many others of his passing. I am sad today and may his memory forever be a blessing for his family and for the friends that loved him.

“ Deep condolences to Lary's family. My husband and I enjoyed meeting Lary for dinners and back to his nice apartment in Dearborn Heights to play with his adorable dog. Peace to all.

Lary was a great friend...We met right out of High School..I was at Wayne State University....We lived in the same apartment building on 2nd Ave in Detroit..We moved to NYC in 1969...Lost touch for a bit....Lary came to Florida to visit....He was always searching for peace.. Sad to know he's gone...I'll always have him in my mind
