“ *My grandpa LOVED cars. He told me about a Jeep Wrangler that he saw sitting in a car dealership lot, but never explained what it looked like. Shortly after, I purchased a Jeep Wrangler that was the exact same one that caught his eye a few weeks later. That was when I knew we were into the exact same cars. Grandpa, this isn't goodbye, this is a see you later. I love you 5ever ❤️*

“ Larry was funny and very friendly. One time I went over to Larry's house. Got out of my car in the drive way and stood by the car door and locked my car. Larry said I see you locked your car. Rough neighbor hood yep very friendly deers walking around. He kept his garage very clean and decorated. If you met Larry for the first time you knew he was a good hearted person.
