“ *Our deepest sympathy to Larry's family. I just heard about his death  
Our prayers are with all of you. I grew up with Larry.  
Sincerely,  
Pat Freer (Mucha)*

“ *With deepest sympathies to all the family and friends of Larry. He  
was not perfect but is one of the few people I knew who had a  
generous heart. He was always there helping others when they  
needed it. All I can say is that I appreciate everything he (and Chris)  
has done for me and my kids.*
