“ *LeeAnn became my best friend when we met in 7th grade in Hoover Jr. High in Florida. We had so much fun together going to the beach, on the boat with Mom and Ken (don't forget the Mello-Yello!), playing softball, having sleepovers, and all the other fun things we shared. Our last big adventure was in North Carolina in 1984 before we went off in different directions. I am sorry we didn't keep in close contact through the years but I am so glad LeeAnn reached out several years ago and we were able to reconnect a little bit. I hope my emails were entertaining. Thanks Alexis for the email help. My husbands Mom battled ALS also so, I know...I know. My thoughts and prayers are with LeeAnn's family and friends. Love to all.*
