“ *I too have very fond memories of Aunt Leila from my childhood visits to Port Huron, family reunions as an adult, and even a few visits in Florida. I remember well Aunt Leila's care for me as a child guest in her and Uncle Bill's home. I remember well Aunt Leila's social banter and infectious laughter. She is an integral part of the extended Webb family fabric, and will be greatly missed as her lovely self and as one of great generation of our family.*

“ I am sitting here remembering my Aunt Leila Webb. Memories of Leila open a flood gate of memories from my childhood. Extended family get together at my grandparent's big yellow house on Lake Huron; sleeping over at the house on 10th Street; watching her accommodate my need to have my fried egg on the toast by flipping the egg up in the air and catching it on the piece of toast; and many more warm memories from my youth. Thank you, Aunt Leila, for joining the Webb clan and being a warm, loving part of my youth.
