“ I am so incredibly sad that I have lost one of my best friends. I will miss her so much. Seeing her smiling face for our visits at Panera to get caught up on our busy lives. We shared so many wonderful childhood memories together meeting her when she first moved from Dearborn to Plymouth. She was not only a great friend but also a wonderful wife to Greg and Mother to Ava and Nicklas. Her family was her joy. May her family, friends and all that knew her share her memories to comfort our broken hearts.

“ *The Miracle League of Plymouth has been blessed with kind and supportive volunteers, too many to count. Leis was one of the Buddies and a part of MLP since the beginning. She offered a helping hand, a smile, and good cheer. Leis was a package deal. Her husband Greg, daughter Ava, son Nicklas, and best friend Kim Delinski. “Team Leis” always showed up, ready to help anytime, anywhere. Leis was a great buddy, a great pal, and good friend. She will be greatly missed. (Deb Madonna)*

“ *Leis cared about people and gave her time to help others, no hesitation. A very sweet and kindhearted woman, but she was also very strong. Watching her with her children and husband made you smile. And there were times when you could just be silly and laugh and giggle like you did when you were a kid. Lucky to be able to call her a friend.*

“ So many memories how do I choose just one? My favorite times with her were our 'Plaka Nights'. They were so natural and comfortable. It wasn't a question of 'Are we going?' As much as "Whose turn is it to drive?' 5 pm every other Saturday we shared friendship and good food. After dinner we ended up at Biggby. I smile picturing you rearranging the furniture for us to visit. More times than not we got sucked into watching some horrible infomercial or severe weather report. We vacationed together. Remember the kids riding Space Mountain over and over again? The Diana trip? The trip to Claudia's cottage? So many good times and laughs. So much advice. Our friendship blossomed walking back and forth to Farrand. Later we decided to include the boys and join a bowling league. We were awful but we didn't care. I talked you into being an Art mom. You talked me into a book club. Just being around made me want to be a better person. I will always cherish these memories and our time together.

I remember the first time I met you. Uncle Bob and I were dating and we stopped at the house because Grandma was babysitting. You, Jody and Beth were in the living room. The three of you started entertaining Uncle Bob and I dancing and singing. We stayed for an hour or so, when we left I went home and told my mom and sisters about the three little Dazet girls with their blond hair and infectious giggles.

*Leis was born a couple weeks after I graduated high school. I would go over to her mom & dad's house and spend time with her and Mary Ann any time I could. She was the most adorable baby girl I had ever seen with that curly blonde hair. She turned into a beautiful young woman, both inside & out, as she got older and was always concerned about the needs of everyone else. She has raised two beautiful children and was married to a wonderful man who she dearly loved. She is in heaven with her mama now and God is taking care of both of them as well as her uncles who have passed before her. Love & sympathy to Greg, Ava & Nicklas and my deepest sympathy to her family and friends who are left behind. Aunt Judy*

*I will miss Leis' fun sweet spirit. I was only 5 years old when I was blessed to become her aunt. Many years of sitting at the kiddie table with Leis and Jodi and Beth. :) When I got married she stood up in my wedding. She was only 21 years old and full of so much life. I am so proud of all she accomplished in her short life. She has a beautiful family and is loved by more people than we can count. Leis, I will miss your smile, your laugh, and your kind heart. Peace and love to you always. Love, Aunt Judy*

*My thoughts and prayers go out to all of the family. I had Leis as a student at Canton H.S. Leis was a fun member of Living With Children class and I know she was a wonderful Mother. I was able to reconnect with Leis through my friend Barb Swanson from Allen. So glad for the chance to catch up. May peace be with all of you. RIP sweet Leis. Chris Mayo*
