“ *Dear Nancy and family,
Words always seem to fall short to express the depth of sorrow when we lose someone so special to us. Please know that you are all in my thoughts and prayers that your warm memories will give you strength during such a hard time. I know your Mom will be dearly missed. I like to think that your parents are together, yet again.
God bless
Love,
Anita (Vega) Scibiorski XO*

“ *Lenora was a special and beloved neighbor for 37 years. She was always telling me not to cut down the large tree in my front yard (even tho she had to clean up the leaves from it) because she enjoyed the shade it provided her when she would sit on her front porch. She will long be remembered as a "very special neighbor".
