“ *I am a family friend of Nancy one of Nanny's grandchildren. I have known Nanny for 30 years or more. She was a very gracious, polite and kind person. Wanting only to do and take care of things by herself. To live 94 years and see the world in all of its changes. I would have loved to interview her.*

I thought it was so special when Nancy was able to have a photo taken after Micheal was born of the 4 generations, Nanny, Joyce, Nancy and Micheal. My memory may be a little short but I do think that there is a photo of 5 generations because Nanny's mother also lived a long life. life.

She will be missed. I am very grateful that I had a chance to have her in my life.

Peace, Love, and Light....
