“ *My brother-n-law Leo. Something came along and took you away, far away from the ones who loved you, and even though your not here anymore, you are still in our hearts.*

“ *Dear Leo, I surely will miss your jokes especially on April Fools Day. We shared laughs and lots of tears especially when Mom passed away. There is a new guardian angel in Heaven now and you will always hold a special place in my heart. I was super proud of your heroic deed as you saved a lady from a burning home. Love to you always Brother Leo*

“ Leo,
You and I became good friends because of a mutual friend. I became close to you and your family. I will miss you as I miss your Mother. When I think of you, I just want to remember you laughing with me while we were sitting in your Mother's basement on Penrod during Christmas. It is a fond memory of you that I will never forget. God speed my friend.

“ *Legends say that hummingbirds float free of time, carrying our hopes for love, joy and celebration. The hummingbird's delicate grace reminds us that life is rich, beauty is everywhere, every personal connection has meaning and that laughter is life's sweetest creation. I sure do remember all the laughter we shared on Penrod Street (& into the future) and the personnel connections we shared. God bless you Leo and those people who you have touched in some way. I'll miss your smile. Xoxoxo Jules & David*
