“ Very sorry to hear about Leonard's passing. I always enjoyed speaking to him at Hunter and Gavin's birthday parties. He was a good man and craftsman. I still marvel at the fireplace front he put in at our house in Farmington. I remember like it was yesterday the brief argument he had with Danny during the work there. "I tell you what to do, you don't tell me what to do." That was the end of the argument. I've used that line many times as my children and grandchildren well know. Rest in peace.
