“ I began work at FMC in '78 in Security at Wixom and worked with Lennie for many years. I always remember him full of energy, humming and smiling while he worked. I'm very sorry for your loss.

“ I'm so sorry for your loss. I will miss Uncle Leonard and his engaging personality. I always admired his gift for conversation, being the quiet person that I am. I always loved talking sports and politics with him. He could charm a crowd. I regret not getting any of his genes. He was a great Godfather. I remember watching him umpire and referee when I was young. He once umped a high school game of mine and told me quietly before the game that "we do not know each other" Had to remain impartial. I will miss him. Take care.
