“ Mary, just a note to say hi and express our condolences about the passing of Leonard. As you know both Leonard and I worked for Ford and we talked about our careers while exercising at the Y. I really enjoyed those times and will miss him and the talks. We would like to send a donation in Leonard's name, can you make a recommendation? We know you were not fond of coming to the Y, but hope you do show up so that we can maintain our friendship.

“ I'll always remember my best friend and neighbor from grade school days. We became "Friends" again late in this life with the 49'ers bringing us all back together. His father was especially kind to my family during the depression and Len was his father's son. Ill miss you, Len. "Do Widzenia!" Frank

“ I will always remember Uncle Len because he was always upbeat and asking about my brother Stan whenever I saw him. I remember Uncle Len being my sponsor at my confirmation. I know he will be missed by everyone who knew him. Greg Goleniak
