“ *My condolences to the entire Szott family. I have had the pleasure to work with Len since 2012. A true gentleman, never seen Len have a bad day, even when he wasn't feeling 100%. He always handled any task at hand without a single complaint. He will definitely be missed by me and all of his work buddies. One thing I do regret is not getting enough rounds of golf in with him, I know how much he loved the game.*

My thoughts and prayers to Len's family. I had the pleasure of dealing with Len for about 5 years at Romulus-Belleville Auto Supply. Belleville handled most of our parts at DTE in Belleville and Len was the go to guy-problem solver. Always in a great mood and ready to help.
