“ *Sorry to learn about Lee's passing. He worked for me for me a few years and his knowledge and willing to help made all look good. He can best be described as being a good guy.*

“ *We are so sorry to hear of Lee's passing. He was the one person who tutored me when I first came to Ford-and then became a friend. A world of practical knowledge and a kind heart. A great combination. We will miss him. All our sympathies to Nancy and the family.*
