“ *Dear Betty and Family,*

We were very saddened at the news of Les' passing. It's difficult writing this now trying to hold back the tears. The both of you have always had a special place in our hearts. We have the happy memories of the two of you coming to the UP to visit mom and us. Les was a wonderful, giving man that always made you feel welcomed and that you belonged. We will remember him always, he will truly be missed in this life! Our Love and Deepest Sympathies to everyone.

“ I am so deeply sorry to hear of the passing of Les. All of us who were associated with Hayes Elementary School will fondly remember his kindness and caring in the many hours he spent reading to students and also the many hours he gave to sixth grade camp. My thoughts and prayers are with his family in this time of sorrow.

“ We are so sorry for your loss. Grandpa Farmer was a very special person to our family as well as the Hayes Elementary Family. Without him, Nicole, Leslie (his favorite for obvious reasons) and Heather would not be the wonderful readers they are today. He will be truly missed and will forever have a special place in our hearts.
