“ *My Family and I would like to express our condolences to the Family. Jesus words are always comforting ... "all those in the memorial tombs will hear his voice and come out." - John 5:28,29*

“ *Though not my brother in fact, over the years I came to think of him as one since he picked on 'the kid sister' in the same way my own do. \*smiles\* His laugh, his grin and the good humor he always showed me will forever live on in my memories and my heart. May Peace be with the Family. Sending my warmest hugs and comfort to you all.*

“ Taken from family, taken from friends. Nothing but time will make the hearts mend. Gone is a Husband, a Father, a Son, a Brother, and a friend. A person that could always bring a smile to your face. God called him home but he won't be far. Though in our hearts he took our brightest star. Leaving us hurting and filled with sorrow. Telling ourselves it will be better tomorrow. A guardian angel for us he will always be. Lewis and Trina, You are in our thoughts and prayers during this difficult time. I will always remember the good times we all shared working at Liberty.
