“ Lil and I were close friends in High School. We went to dances at Jack Scott's in Troy, had a club, went skating ,shared classes, tears and laughs. After graduation we lost track of each other but at the Thurston 50 year class reunion we renewed our friendship. The last 12 years brought our friendship to mean more then I can tell you. I feel Lil was more a sister then a friend. I can't tell you how much she means to me or how much i will miss her. God bless her and keep her close. May those she loves that have gone before her greet her with a big party and they had better have the game up there.

Love you Lil,  
Marian

*I have fond memories of spending time at the Bennane's house. Lillian taught ceramics and I created some beautiful projects with her help. I remember her singing in the St. Linus choir and they were good!!! I loved her Shepard's pie and triple chocolate cake. Most of all; I loved her laugh.*
