“ Lily is my soul buddy,, We have laughed and cried and, mostly went out to "play" alot.... AND she would always come home with a ring of some kind (the bigger, the better).. We traveled to my state and my family got to meet her...One of the visits was very sad because we went to see Doris at Hospice House in Dayton... However; we even managed to giggle with shared memories.... Our walks to the mailboxes were a hoot... I know her physical presence will be missed greatly for you and family; HOWEVER, her spirit is right there with you.. May our Lord ease your sorrow;;; (sue)

“ Chet, Anna & family,
I was so saddened to hear of Lily's passing. When I saw her last she was full of vim and vigor. We had a great conversation and she was a sweetie. You and your family are in my thoughts and prayers.
Sincerely,
Bev Golec❤️
