“ *A memory of my mom is her love of Christmas! Every year she would be the first one up (very early, sometimes we had to tell her to go back to bed) After she saw the presents she would holler "Santa came!" Then she would call everyone to come over to my grandma's to open the gifts. Of course after the festivities, she was the first one to take a nap! I love you mom and Christmas will never be the same!*
