“ *We are so sorry! Bob and I are going to miss Linda's happy smiles and waves as she walked by our house or rode her trademark bike. We all moved into our neighborhood at the same time, 45 years ago. We had years of friendship, sharing stories, cookies and Duffy's favorite dog biscuits. We shared a love of Plymouth Community Band concerts, too. She was a woman of great faith: I am sure she is safe at home with our Savior.*

“ *I'm so very sorry! Linda spent so much time and energy helping everyone and anyone who needed her. She was always "over the top" and worked harder than anyone ever expected. I will miss her help, and Henry and Luther, my big fur boys will too. I do know she's in the arms of our Savior, because she knew Him and He knew her so well. A free spirit for sure is now looking at absolute glory.*

My thoughts and prayers are with all of you. Linda was a cherished friend, one I could always call for love and prayers. I too will miss her greatly.
