“ *Dear Abigayle & Stephen, I hadn't worked with mother very long; our ASD room was new to Dodson this year. But, I can say this, that in the short amount of time that i have known your mother... I know of her love for her family and the love she had for animals. I know of her kindness and the compassion she had for others. I know that she was a very special lady who will be greatly missed. Please know that my thoughts and prayers are with your family and friends at this time.*

“ *My thoughts and prayers are with Linda's family and friends at this difficult time. Linda and I worked together at the Curriculum Center. Her good cheer, thoughtfulness, and hard work helped so many. She will be missed and will remain in our hearts.*
