“ *I'll never forget meeting Linda on one of our very first days of 7th grade at Eppler Jr. High. We just hit it off immediately. I have just the best memories of laughing with her, attending youth activities at our churches, staying overnight at each other's houses and just having fun. Linda was literally the sweetest, kindest person I have ever known. She was the true definition of grace. Her love of Jesus was first and foremost in her life. I am broken hearted at her loss but rejoice in the life she is living with her Savior. May God comfort each of you who loved her so and took such loving care of her. With loving blessings, Nancy Fuson Watson*
