“ We always have the best time, when we were with Linda and Chuck. Softball, Wally ball or just playing cards, there were always a lot of laughs. Linda will be sincerely missed.

“ *From the first time I met Linda, I knew she was a beautiful person. Always smiling, always greeting people with warmth, always a person who got the most out of life because she gave the most. My thoughts and prayers are with the entire Russo family. Chuck, you and I share something that most people don't want to experience and that is the loss of a spouse, a friend, the other half of your team, your life's companion and the person who completes you and brings out the very best in you. Please give yourself the time you need to adjust to all of these "new" phases in your life. I am hopeful that God will give you strength and peace in the knowledge that you were truly blessed to share life with Linda and you are a better person because of that..Your family and friends loved her and they love you. Please allow them to help and comfort you.*

“ Chuck and family. Pat and I were so sad to hear about the passing of Linda. We have a lot of memories with Linda dating back to the early 80s playing wallyball at Rose Shores to the latest of last year listening to music in Sumpter Town Square in The Villages. Linda was full of life and will be sorely missed. Please accept our deepest sympathy. May she rest in peace.

Love,
Al and Pat Russo

“ *Auntie Linda lived life and lived it to the fullest. So many of my core memories growing up were created because Auntie Linda and Uncle Chuck welcomed us to their home in Canton or cabin up north or on their trips down to OIB. Auntie Linda truly believed “the more the merrier” and I always felt so loved and welcomed in her presence. I will be sipping on a few “ritas” in her honor.*
