“ *I wanted to send my thoughts and prayers to Linda's family. She was a part of the RAV family and she was always kind to me. I have known Linda for almost 7 years, she trained me on the job when I came to Minacs. I had the fortunate opportunity to work with Linda as a peer and as a member of my team as her supervisor and she always treated me with respect. I will miss talking with her about her family and her listening to me when I needed to talk. She will be missed.*

“ I will really miss her, she was a really great friend and co-worker and she helped me through some tough times and always had my back. I knew her in the early days of our company, Pheonix Group, and we always kept each other's backs. I will miss her. It was really wonderful to meet her family and see all the love there and it brought me back to when we were working together.

Vickie, I talked to you last night, I will take your advice about trying to have a baby and relax and continue to take the prenatal vitamins. Linda must have been so proud to have such a beautiful and spirited daughter, you reminded me of her. Take care and email me anytime if you need to talk, I am a very good listener as your mother was to me.

“ It was a real honor to meet Linda's children and Gabby during visitation. With all our talks and lunches, I shared the events in your lives, marriages, births of your children, vacations, holidays. Linda, you did a real good job raising them. I just want to phone you and tell you how hard it is to lose a friend, a confidante. Many times we've been there for each other. Olivene, you have truly been blest. A big hug for you. Nancy, it'll be a tough road. Carl, Chris and Vickey, mom will continue to look over your shoulder. You will know when. And an extra strong hug for each of you.

“ I knew Linda for less than six months as I started working with her at Minacs RAV in December. She was always very pleasant and, I'm sure with the amount of shock that went thru the office as testament. She will not be easily replaced as a coworker and, especially, as a friend. My sincere condolences to the family.
