“ *As the holidays approach I can't help but to think about you Lisa. Probably the most selfless kind person I've ever met. Who knows why the Lord needed you more than us but it is a lesser world without you in it. I will always remember you my dear friend. I'll see you when I get there. I Love you. Bethany*

“ *I was saddened to hear of Lisa's passing. I remember her mostly for her smile. No matter how bad my day was going, just looking at her smile, would always cheer me up. What a wonderful person she was.*

“ Dear Mr. & Mrs. Berarducci, I don't know if you remember me, but I was Lisa's speech therapist at the Children's Center at Mt. Carmel Hospital. I am so sad to learn of her passing. She was one of my special patients and I enjoyed working with her so much. She was always happy and made everyone around her smile right along with her. Please know that you are in my thoughts and prayers. She is now making everyone smile in heaven. With my deepest sympathy,

“ It has been sometime since I last saw Lisa. If my memory serves me correctly, we went from 1st through 8th grade together. What I do remember is her smile. Could light up a room. Even with the challenges she faced, you knew she loved life by her smile. My condolences go out to her entire family. God Bless

“ Our Lisa B. was a one of a kind. She was kinda kooky but you could not find anyone who was as much of a people person as she was. She loved to chat up and make friends with everyone she met. She never forgot a name or birthday. She loved to give to and care for her friends and family. Anything to make someone happy! Mom and Dad Berarducci, Larry and Andrea, Mary Kay and Glenn, all the nieces and nephews, you all helped make Lisa the wonderful gift she was to each and every one of us. Kevin and Lesslee, when I spoke to Lisa on the phone these last few times, she told me each time how much she loved and appreciated you guys. I told many of my friends who had met Lisa about her passing and (because Lisa makes herself memorable to everyone she meets!) remembering her, they all expressed their symapathies and said that they will, as I will, keep all the family and all of us friends in their prayers.
