“ *The world is a dimmer place, it has lost a shining star. I consider myself lucky to have had that light shine on me. Lisa had humor, panache, vivacity and a generous spirit like no one else. I will love her and miss her all the rest of my days.*

“ *My heart grew heavy and I shed a few tears yesterday morning when I received the news that Lisa had passed away...I know she is at peace. I started to think of ways to describe Lisa such as sweet, kind, lovely, witty but I realized that I could go on and on because there were so many nice things about her. I'll never forget stopping by the Tinik's home with Michael, not to long after I had moved to Michigan and as we were on the way to a show, and partaking in an awesome plate of Hungarian Goulash that Lisa had prepared...I can still remember the how good it tasted almost 25 years later. Michael and Lisa shared so much love as husband and wife and he glowed whenever they were together and when speaking of her. They raised a loving and beautiful daughter who provided so much joy in her life. Michael was my mentor and the Tiniks felt like family to me. Though I haven't had the pleasure of spending any time with them since I stopped working with Michael, I never stopped thinking of them and will forever be grateful to have had them in my life. I'm sad that I can't make it up from Texas to be with you all but please know that my thoughts and prayers are with you all during this time. God bless you all and I love you.*
