“ I was lucky enough to meet Lois through my friendship with her son Peter. She would always ask about my children, my family, my job, my golf game, etc. She always sent a Christmas card with a thoughtful note included. The one thing that always stood out in our conversations though, was her unbelievable pride in her sons Peter and Paul and their families. She will be missed

“ My memories of Beautiful Lois Bedder are many. Every conversation I've had with her were only of love, calmness, and basically positive and just plain nice all the time and I've known her since i was a child or born. I love this woman. Lois was always kind & loving & a simple soul that made God proud everytime. I felt part of her life tho she wasn't my mom. I know her as a great mother to her 2 sons my brothers who she defintely raised right. Her good demeanor shows through them. Lois kept in touch with me over the years and in turn I to her, never missing holidays either sending me and my family husband and kids cards and on our birthdays. I'm glad she knows God like I do. So my memories of her are all good. I miss her already and she will be missed by all who knew her especially family and friends. God bless her loved ones. May Lois Rest in Peace in Jesus name, as now she is forever in the presence of our Almighty God Jesus Christ our Father in Heaven. I love you Lois thanks for being you so kind and wonderful. Amen. Love Marie & Anthony & Sarah & Joseph my children, the Sciarrotta's. We Love You! I love you. Marie
