“ *Matt, Mark and all,*

*My condolences on your great loss. Lois was a special person. I don't believe she ever met a person she didn't get along with. She was always happy, upbeat and ready and willing to talk, genuinely interested in what you had to say. I will miss her presence and seeing her smiling face.*

*I feel sorry for those who have the misfortune to never have know her. They have no idea how much poorer they are because of that.*

*May the peace of God be with you during this time of loss and sorrow. May His healing ease your pain and sustain you.*

*God bless,*

*Ken Klein*
