“ To The Foley Family,

We are so sorry for your loss. Ben and Loretta are a special couple who we only got to know better during these last 2 difficult months. We are so glad the family decided to bring Loretta home as we had the chance to visit and talk with Loretta and Ben on her good days. We left amazed at how Ben tended to her needs day and night. They would reminisce about their life together and we enjoyed the stories.

Loretta, our Maple Creek community will not be the same without you and we will surely miss you tending your flowers this spring. Thank you for allowing us to be a small part of your life.
