“ *Loretta: I will always remember you and Harold from when Virginia and I were young. All the things you did for us and the places you took us. Those were really good times. Everyone was luck to have you in their life.*

“ *Having lived in Colorado, it has been a very long time since I have seen Loretta. But my memories of our visits to Aunt Nells and Uncle Joes house are still very vivid. Loretta's humor and love to the younger cousins was so nice. How she could make you laugh and feel good. My love to all the Campbells. God bless and keep you in His Care. Peace be with you ,Harold Love. Rita*

“ Loretta is and has always been the Matriarch of our family as long as I have ever known her. Her tremendous wit and love of all has made this loss so much greater...no one can ever replace this special woman...whenever she saw me she always said, "Hey there little one"...I, for one, will miss her so much...may you rest in peace amid the hills of Ireland
