“ Lori and I have been friends for many years now. My dad and she shared the same birthday and she would always call him on his birthday. We did a lot together over the years and talked every weekend. Her and I went on our first cruise when we both turned 62 and had a great time. We were looking forward to another one at 65. I will miss her greatly. Love you girl. Toot a loo.

“ Never will forget how you tricked Makeila by rhyming Ava with David (Ava-dava) to get her to pick the name Ava. ❤️❤️
