“ *One of my most memorable times with Lori as I was a teenager Lori asked if I could go with her to a Rick Springfield concert. My parents agreed which was most uncommon and off we went. Loved the many times we spent together, what a sweet cousin. Her cup ran over with love and laughter. Till we meet again, keep smiling.*

“Lori asked if I wanted any plants because she was getting rid of them. So after work we were at her place , in the dark, digging up hostas. She kept asking , you want theses, or these. I ended up with 5 or 6 boxes and buckets of plants to replant ar my house. I'll always have a piece of Lori at my house. Thanks Lori. Miss YOU, Alice
